Indicators 2, 3, 4, 5 and 6 are performance indicators. These are a measure of the districts overall performance in several key areas. The targets for these indicators was set during the development of the State Performance Plan (SPP).

A determination of *Needs Assistance* means that the district must conduct a root cause analysis on topics specific to the areas of non-compliance. This analysis must involve key stakeholders in the Buffalo Trace Point of Entry service area; and must identify systemic issues that have hindered improvement.
